The settlement is bad, and does nothing to stop Microsoft from pushing ahead full steam. This does nothing to protect consumers let alone any company that Microsoft will put out of business. Do not accept the proposal as it stands!

"I lift my eyes up, unto the mountins, where does my help come from?" Psalms 121  
"Blessid is the man who perseveres under trial, because when he has stood the test,  
he will recieve the crown of life that God has promised to those who love him." James 1:12
